Re: Legislation for Passage – May 27th, 2025

Dear President Griffin,

I am requesting legislation to be passed under suspension at the June 2<sup>nd</sup> 2025 Meeting:

- Authorizing the Director of Community Development to amend Contract SG2024-0150 with the CCLRC to provide additional funding for the program to be used for Home Repair for residents in Ward 5.

I am requesting that this legislation be addressed under suspension in order to allow this project to move forward serving residents of Ward 5.

If you have any questions, please feel free to call me at 216-664-6617.

Thank you for your consideration.

Sincerely,
