Subject: Legislation to be Passed under Suspension on December 09, 2020

Dear Council President Kelley:

I am requesting that the following legislation be passed under suspension at the December 09, 2020, City Council meeting:

- Legislation determining to proceed with the continuation and expansion of the Gordon Square Arts District – Cleveland Improvement District, to adopt and levy the assessments, and to amend Resolution 505-2020.

I understand that passage under suspension is not preferred or ideal, however this piece is critical and urgent for the timely conclusion of Gordon Square’s special improvement district renewal process.

Thank you for your consideration of this request. If you have any questions, please contact me at 664-3468.

Sincerely,

Freddy Collier,
Director of City Planning
