

LEGISLATIVE SUMMARY
Department of Public Works

2020 Maintenance Equipment

Ordinance No.: 1361-2019

Division: Parking Facilities

Legislative Description: This legislation will authorize the Director of Public Works to enter into one or more contracts with Skidata, Inc. for professional services necessary to provide software, hardware, training, technical support and maintenance, monthly preventive maintenance including inspection, cleaning, lubricating and adjustment of the equipment and parts and labor required for repair or replacement for the Parking Access and Revenue Control System for Willard Parking Garage, Gateway Parking Garage and West Side Market parking lots, for the Division of Parking Facilities, Department of Public Works.

Legislative Purpose: Passage of this legislation will allow the Division of Parking Facilities to enter into an agreement to provide system, hardware maintenance and professional services. These professional services are proprietary to the installer of the equipment.

Ordinance No. 1474-18, passed January 28, 2019, authorized a maintenance agreement with Link2Park dba Linkology to provide maintenance and equipment for parking equipment at Willard Parking Garage, Gateway Parking Garage and West Side Market parking lots; however, the vendor ceased operation in June 2019. The Department of Public Works currently has a temporary agreement with SKIDATA, Inc. until legislation is passed for a period of (4) four years.

Term: For a period of (4) four years.

Estimated Costs: \$800,000.00

Vendor: SKIDATA, Inc. 120 Albany Street, Tower II
New Brunswick, NJ 08901
