

Department of Port Control

Ordinance No.: 886-2023

Executive Summary

The Department of Port Control requests authority to enter into one or more requirements contracts for labor and materials to install, repair, and or replace floor and wall coverings for a period of two years with two (2) one-year options for renewal, exercisable by the Director of Port Control.

Background/Purpose:

The Department of Port Control requests authority to enter into one or more requirements contracts for labor and materials to install, repair, and replace floor and wall coverings to include but not limited to carpet, rubber floor tile, ceramic tile, and mats.

Scope of Work:

This contract will ensure the required labor and materials are available to install, repair, or replace flooring & wall coverings for the Department of Port Control.

Anticipated Cost:

\$1,000,000

Schedule or Term of Contract:

Two years with two (2) one-year options for renewal, exercisable by the Director of Port Control.
