

LEGISLATIVE SUMMARY  
MAYOR'S OFFICE OF CAPITAL PROJECTS

**ROAD & BRIDGE IMPROVEMENTS**

Ordinance No:

Description:

To authorize the construction, rehabilitation, installation, or improvement of streets, sidewalks or infrastructure within the City's right of way. To authorize the Director Capital Projects and/or Public Works, as appropriate to enter into contracts to make the improvements; to purchase capital equipment; to employ engineers, inspectors, or other technical professionals; and direct employment of the necessary labor.

Public improvements may be made by one or more contracts utilizing a project delivery method authorized by the codified ordinances, including but not limited to Design-Bid-Build, Design- Build, and Construction Manager at Risk.

This is the annual operating legislation to allow the use of capital bond sales to perform capital improvements to City roadway infrastructure.
