Acceptance of Artwork at Trent Park Basketball Courts

Ordinance No: 703-2025

Legislative Purpose: To authorize the Director of Parks and Recreation to accept a donation of murals from the Cleveland Cavaliers ("The Cavs"), containing one or more private logos, which may include the private logo of The Cavs and/or Caterpillar Inc. ("Ohio Cat"), on the basketball courts at Trent Park for use by the Department of Parks and Recreation.

Project Summary: The Cleveland Cavaliers ("The Cavs") have established a multifaceted social initiative program encompassing various areas, including youth development, health and wellness, diversity and inclusion, and community partnerships. These initiatives aim to positively impact the community, particularly Northeast Ohio. Through their community partnerships initiative, Cavs Legacy Project, The Cavs have renovated and refurbished basketball courts throughout Cleveland.

The Cavs have commissioned Precision Concrete & Asphalt LLC ("Precision") to execute renovations and artistic improvements to two basketball courts located at Trent Park. City recently entered into a 6 month license agreement with Precision for the first phase of the renovations which includes repaving the current basketball court surface to establish a fresh and level foundation before scraping and coating the entire court surface with two applications of acrylic resurfacer. The second phase of the renovations involves installing murals covering both courts. The Cavs wish to donate the artwork, which contains the logos of project sponsors, The Cavs and Ohio Cat.
