

Summary for Council  
Department of Public Safety

Ordinance No.: 683-2026

Legislative Purpose: Authorizing the Director of Public Safety to enter into one or more contracts with Flock Group, Inc. dba Flock Safety for the acquisition and or renewal of the annual license and the professional services of maintenance for the Flock Safety Automated License Plate Reader Solution for the Division of Police, Department of Public Safety, for a period of one year

Legislative Summary:

This legislation will authorize the Division of Police to enter into a contract for the annual licenses and maintenance services of the Flock Safety Automated License Plate Reader Solution. The automated license plate reader solution is a tool used by the Division of Police to support violent crime investigations, stolen vehicle recovery, locating missing persons, and hit-skip investigations and improves investigative efficiency. The Division of Police has been using this solution since 2023.

The purchase of the annual licenses and maintenance services in the amount of \$250,000 will be funded by the Division of Police operating budget.
