

DEPARTMENT OF ECONOMIC DEVELOPMENT  
SUMMARY FOR THE LEGISLATIVE FILE  
ORDINANCE 560-2019

Developer: Gateway Huron, LLC

Project Location: Prospect & Huron Avenues; at E. 4<sup>th</sup> St.

Project Manager: David Ebersole

Ward/Councilperson: Ward 3/ Councilman Kerry McCormack

City Assistance: Non-School TIF

Project Site:

**Project Description:**

The Gateway lots, located at the corner of E. 4<sup>th</sup> and Prospect, have long been an underutilized area for downtown Cleveland. As surface lots, these parcels created a gap in the urban fabric and broke up the vitality of the connection between the strong and growing assets at E. 4<sup>th</sup> Street & Euclid Avenue and the huge draws of Progressive Field & Quicken Loans Arena.

Gateway Huron, LLC, an affiliate of Stark Enterprises, has acquired these lots to launch Project NuCLEus, a truly transformative development that will change the face of the Gateway District and leverage this key location. Their proposed mixed-use development will be an attraction for shoppers, workers, and residents in itself and a strong compliment to the existing assets in downtown. In addition to the large surface lots at E. 4<sup>th</sup> and Prospect, the development site also encompasses neighboring outdated parking garages to the east and a small building on Prospect Avenue adjacent to the site. The project includes a large amount of Class A office space which is critically needed in downtown Cleveland.

The initial development proposes to construct 277 residential rental units, approximately 400,000 sf of gross commercial office, 77,820 square feet of national credit tenant retail, approximately and 1,350 parking spaces, and pedestrian oriented infrastructure improvements. The project proposes to construct two towers on top of retail and parking, topping out at 24 stories, on the surface parking lot on the corner of E. 4<sup>th</sup> Street and Prospect that will straddle the East 6<sup>th</sup> walkway, creating two structures at ground level, that are connected above via the garage. Additionally, the development proposes substantial improvements to the E. 6<sup>th</sup> Street walkway, creating a “Laneway” modeled on successful retail developments in Melbourne, Australia. It is anticipated that as many as 1,000 individuals could be employed at the project site.

**Estimated Project Sources & Uses**

<b>SOURCES</b>		<b>USES</b>	
Private Debt (Inc. TIF*)	\$ 213,125,000	Construction	\$ 234,730,000
Equity	\$ 100,400,000	Soft Costs	\$ 92,425,000
City of Cleveland	\$ 12,000,000	Land Costs	\$ 26,730,000
City of Cleveland VPI	\$ 360,000		
Cuyahoga County	\$ 6,000,000		
State of Ohio	\$ 6,000,000		
Subordinate Loans	\$ 16,000,000		
<b>TOTAL</b>	<b>\$ 353,885,000</b>	<b>TOTAL</b>	<b>\$ 353,885,000</b>

\* The City estimates the TIF value to be approximately \$19,000,000
