

LEGISLATIVE SUMMARY
Mayor's Office of Capital Projects
Division of Engineering and Construction

East 75th Street Bridge over NS and GCRTA, PID 106378

Ordinance No. 499-2020

Purpose: Legislation to amend 588-17 passed June 5, 2017 relating to East 75th Bridge Rehabilitation. The amendment will authorize the Director of Mayor's Office of Capital Projects to apply and accept Issue 1 funds; to enter into local administered public agency agreement with ODOT and to cause payment to ODOT for local share in the estimated amount of \$2,020,000.

Proposed Work: The project involves removing and replacing the existing bridge over Norfolk Southern Railroad and GCRTA built in 1931. This is an ODOT administered project.

Present Condition: The superstructure and substructure are in critical condition. The general appraisal rating is prepared annually on behalf of the City of Cleveland by the Cuyahoga County Engineers Office.

Cost Estimate: \$7,172,364

Construction: \$6,000,000
