Date: August 13, 2024

Re: Report for the Euclid Beach Blvd./E. 159th St. Improvement Assessments

The undersigned members of the Assessment Equalization Board appointed by Resolution No. 619-2024, adopted July 10, 2024, to hear and determine objections to the assessments estimated under Resolution No. 1301-2023, adopted January 22, 2024, with respect to improvements to Euclid Beach Boulevard (entire street) and E. 159th Street (from Euclid Beach Boulevard to Lakeside Avenue) respectfully report:

- (1) We met at the time and place prescribed in Resolution No. 619-2024 and took an oath of office as prescribed by law;
- (2) We considered and determined all objections received with regard to the estimated assessments;
- (3) We have determined and recommend the following with regard to the objection received:
 - a. <u>Parcel No. 113-01-020</u>: The objection did not raise concerns within the Board's authority to equalize the estimated assessments and there were no facts presented to distinguish this parcel from similarly situated parcels in order to consider a change in the estimated assessment.
- (4) We have determined that the estimated assessments, as shown on the attachment hereto, are proper and conform to the standards prescribed in Resolution No. 1301-2023;
- (5) We have determined that the estimated assessments, as shown on the attachment hereto, are limited, with respect to each lot and parcel of land to be assessed, to the special benefits conferred by the improvement; and
- (6) We have completed all hearings on the objections.

Attached is a list of the assessments which is hereby recommended for your approval.

Sorry to bother you guys again. It turns out there was a mistake in the description of the assessment area in some of the legislative documents. The Board report inadvertently identified Lakeshore Boulevard as Lakeside Avenue.

I would appreciate if you would each respond with your approval of the substitution of "Lakeshore Boulevard" for "Lakeside Avenue" in the Board Report to Council.
