

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

Carter Road Lift Bridge Preliminary Engineering

Ordinance No.

178-2025

Purpose:

This Department requests legislation to authorize the Director of Capital Projects to enter into one or more professional service contracts, to apply for and accept federal funds; to apply for and accept grants or gifts from any public or private entity; to accept cash contributions from public or private entities, to authorize the Division of Purchasing and Supplies to acquire, accept, and record all land necessary in making of the public improvement, including but not limited to gift, fee simple acquisitions, temporary easements, permanent easements, and work agreements; to add any and all funds as authorized by the Director of Finance.

Description:

This Consultant Services Contract will be advanced in three (3) parts. In Part 1, the Consultant will identify various components of the bridge requiring rehabilitation. These components will be packaged by the City into Phases. In Part 2, the Consultant will prepare final Construction Documents for Phase I of the Rehabilitation and assist the City in applying for grant applications to leverage financing for future projects. In Part 3, the Consultant will provide as needed and as authorized professional services during construction for PH I.

Preliminary Design Estimate: \$ 1,500,000

Detailed Design Estimate: \$ 3,540,000

Construction Administration: \$ 4,085,000

Funding Source:

\$20,000,000 – Local Major Bridge Project (FY 2024)
