

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

East 159th and Euclid Beach Blvd:
(Lakeshore Blvd to Euclid Beach)

Ordinance No. **1301-2023**

Purpose: This Department requests a resolution of necessity to authorize the Director of the Mayor's Office of Capital Projects to: allow assessment notices to be sent via certified mail; to enter into one or more contracts in making of the public improvement; to enter into agreements with private utilities and to accept funds; to authorize the Division of Purchasing and Supplies to acquire, accept, and record all land necessary in making of the public improvement, including but not limited to gift, fee simple acquisitions, temporary easements, permanent easements, and work agreements; to add any and all funds as authorized by Director of Finance.

This department also requests authority for the Commissioner of Licenses and Assessments to prepare and file in the Office of the Clerk of Council all estimated assessments for the project.

Description: East 159th and Euclid Beach Blvd were dedicated in 1982, but not accepted by the City. The roadway is not currently being maintained, and has degraded to a pavement condition (PCR) rating of 60, which indicates a failed condition.

Construction
Cost Estimate: \$887,780.20

Funding Source (s): City Road and Bridge Bonds

Project Schedule: Construction: April 2024 to June 2024

Ward (s): 8, Councilmember Polensek
