

INTEGRATED HEALTH INITIATIVE MAP LINKS (February 2023):

1. [All CMSD schools, color-coded by Ward](#)
2. [All CMSD schools, color-coded by presence/absence of physical health care provider partner](#)
(since they all have behavioral health assignments)

NOTES:

Both maps show MetroHealth and UH locations; CCF and others to be added.

On both maps, the star next to a school name indicates a BRICK AND MORTAR clinic (there are only 3, including the ones MetroHealth is currently building) .
