

Legislative Summary
Department of Public Safety

Ordinance No.: **TBD-2026 FOR PASSAGE UNDER SUSPENSION**

Legislative Purpose: Authorizing the Director of Public Safety to enter into one or more contracts with Convergent Technologies LLC for the equipment, installation, maintenance, and annual software subscriptions for the Evolv Express and Evolv eXpedite weapons screening systems at the new Police Headquarters for the Division of Police, Department of Public Safety, for a period of four years

Legislative Summary:

To authorize the Director of Public Safety to enter one or more contracts with Convergent Technologies LLC for the equipment, installation, maintenance and annual software subscriptions for the Evolv Express and Evolv eXpedite weapons screening systems at the new Police Headquarters. The weapons screening systems are essential to enhancing the security of the new Police Headquarters and the annual software subscriptions and maintenance for this equipment are necessary to ensure the equipment is fully operational.

The contract or contracts will be for a period of four years, subject to annual appropriation for years two through four. The contract or contracts will total \$456,378.00 over the four years and will be funded by the Division of Police operating budgets.

Passage of this legislation at the July 15 City Council Meeting is necessary to ensure the screening systems are placed into operation prior to the opening of the new Police Headquarters. The weapons screening systems are essential to enhancing the security of the new Police Headquarters and the annual software subscription and maintenance program for this equipment is necessary to ensure the equipment is fully operational.
