impacts; (b) respond to workers performing essential work; (c) provide government services to the extent of reduction in revenue; and (d) make necessary investments in water, sewer, or broadband infrastructure (collectively, “Criteria”); and

WHEREAS, so long as the City duly directs its Fund Payment to finance those costs in compliance with the Criteria, the City may use the Fund Payment to offset the City’s various fiscal effects from COVID-19 during the period beginning March 3, 2021, and ending December 31, 2024 (“Covered Period”); and

WHEREAS, the City received some or all of the Fund Payment directly from the Treasury Department under the authority of Ordinance No. 303-2021, passed by this Council on May 10, 2021 and which affirms said Fund Payment is to cover only those expenditures consistent with ARPA, including the Criteria, and applicable regulations, and such Fund Payment has been or will be deposited into an appropriate special revenue fund created and maintained by the City; and

Regarding Compliance with the Coronavirus State and Local Fiscal Recovery Funds Interim Final Rule and Final Rule; and

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department and constitutes an emergency measure providing for the immediate preservation of the public peace, property, health and safety in the timely authorization and the signing of the necessary agreements and documents to expend the Fund Payment; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That this Council hereby declares that it is a response to the public health emergency or its negative economic impacts to provide for the redevelopment of vacant or abandoned property located within one or more Qualified Census Tracts as identified by the U.S. Department of Housing and Urban Development (“QCTs”) (the “Project”). This Council’s decision that Rehabilitation Expenditures (as defined herein) under the Project are appropriate by virtue of charging to the City’s Fund Payment is based on the consideration that such Rehabilitation Expenditures satisfy the two-part framework required by Guidance such that (i) the City has identified a negative public health or economic impact resulting from or exacerbated by COVID-19 and (ii) the City’s response is designed to address the identified health or economic impact in a reasonably proportional manner. In addition, this Council finds that the Project meets the two-part framework required by the Guidance with respect to the following: (i) disproportionately impacted households, populations, and communities include those located or living within QCTs and the Project will take place within one or more such QCTs and (ii) the City’s reasonably proportional response may include capital expenditures and other services to address duly designated vacant or abandoned properties, pursuant to 31 CFR 35.6(b)(3)(ii)(A)(11)(iv), which such capital expenditures include: rehabilitation, renovation, or other costs to position the property for current or future productive use, removal and remediation of environmental contaminants or hazards, demolition or
