WHEREAS, so long as the City duly directs its Fund Payment to finance those costs in compliance with the Criteria, the City may use the Fund Payment to offset the City’s various fiscal effects from COVID-19 during the period beginning March 3, 2021, and ending December 31, 2024 (“Covered Period”); and

WHEREAS, the City received some or all of the Fund Payment directly from the Treasury Department under the authority of Ordinance No. 303-2021, passed by this Council on May 10, 2021 and which affirms said Fund Payment is to cover only those expenditures consistent with ARPA, including the Criteria, and applicable regulations, and such Fund Payment has been or will be deposited into an appropriate special revenue fund created and maintained by the City; and

WHEREAS, the Criteria and Guidance describe such eligible uses of the Fund Payment to include responding to the public health emergency or its negative economic impacts, including assistance to households, by addressing educational disparities in disproportionately impacted households, populations, or communities, such as those located within Qualified Census Tracts identified by the U.S. Department of Housing and Urban Development (“QCTs”) or to low-income households or communities, all pursuant to 31 CFR 35.6(b)(3)(ii)(A)(11)(v); and

WHEREAS, this Council intends to take action and use the Fund Payment as described herein in a manner consistent with the Final Rule released by the Treasury Department on January 6, 2022, as authorized under said Department’s Statement

Ordinance No. 94-2023

Regarding Compliance with the Coronavirus State and Local Fiscal Recovery Funds Interim Final Rule and Final Rule; and

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department and constitutes an emergency measure providing for the immediate preservation of the public peace, property, health and safety in the timely authorization and the signing of the necessary agreements and documents to expend the Fund Payment; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That this Council hereby declares that it is a response to the public health emergency or its negative economic impacts, including assistance to households, to address educational disparities in the City by providing equitable student access to physical and mental health services leading to healthy child development and effective learning (the “Integrated Health Initiative”). Support for the Integrated Health Initiative includes defraying: (i) capital costs, including expenses for equipment and supplies, telehealth tools and connectivity, and brick-and-mortar clinic spaces, (ii) engagement and outreach costs, including expenses for community health staff and coordinators, social media and radio outreach, materials and support for partner organizations, hosting community-based health and education events, and market research, and (iii) administrative costs (collectively, the “Project”). This Council’s decision that costs under the Project are appropriate by virtue of charging to the City’s Fund Payment is based on the consideration that such costs satisfy the two-part framework required by the Guidance such that (i) the City has identified a negative public health or economic impact resulting from or exacerbated by COVID-19 and (ii) the City’s response is designed to address the identified health or economic impact in a reasonably proportional manner. In addition, this Council finds that the Project meets the two-part framework required by the Guidance with respect to the following: (i) the Project targets disproportionately impacted households, populations, or communities include families or individuals living within QCTs or low-income households or communities; and (ii) the City’s reasonably proportional response may include costs to

Ordinance No. 94-2023

address educational disparities in such disproportionately impacted communities, pursuant to 31 CFR 35.6(b)(3)(ii)(A)(11)(v).

Section 2. That the Director of Finance is authorized to enter into one or more agreements with The Cleveland Foundation, or with such other parties as may be necessary, for the reasonably proportional response, defined herein, for the Project.

Section 3. That the Director of Finance is authorized to apply for and accept any gifts or grants to implement this ordinance from any public or private entity; and that the Director is authorized to file all papers and execute all documents necessary to receive such funds; and that the funds are appropriated for the purposes described in this ordinance.

Section 4. That all agreements authorized by this ordinance shall be approved by the Director of Law and contain such terms and conditions as necessary to protect the public interest consistent with the purposes of this ordinance.

Section 5. That the cost of all agreements authorized by this ordinance shall not exceed three million seven hundred forty-six thousand dollars and zero cents (\$3,746,000.00) and shall be paid from the Fund Payment, from the fund or funds to which are credited any gifts or grants accepted under this ordinance, and from any other funds that are appropriate for this purpose as determined by the Director of Finance. The agreements authorized and to be paid from the Fund Payment shall be fully executed, with funds to be encumbered during the period beginning March 3, 2021 and ending December 31, 2024 and shall be fully expended no later than December 31, 2026. (RQS 0117 RL 2021*79)

Section 6. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
