LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

Lorain Avenue Rehabilitation (West 65th Street to West 20th Street) – PID 89255

Ordinance No. 1201-22

Purpose: This Department requests legislation authorizing the Director of Mayor's Office of Capital projects to enter into one or more Professional Service contracts; to enter into agreements with private utilities and to accept funds; to apply for and accept federal funds; to enter into public and private agreements and to accept funds; to enter into one or more agreements necessary to make the improvement; to authorize the Division of Purchasing and Supplies to acquire, accept, and record all land necessary in making of the public improvement, including but not limited to gift, fee simple acquisitions, temporary easements, permanent easements, and work agreements; from any and all funds as authorized by Director of Finance.

Description: Lorain Avenue from West 65th Street to West 20th Street will be reconstructed, approximately 1.8 miles. The improvements include new roadway footprint, new pavement, curb, walk, and driveway aprons, upgrade catch basins, install ADA compliant ramps at all locations, new water line, traffic signal improvements, and new pavement marking and signing plan. New separated bicycle facilities will be installed in conformance to public input conducted in calendar year 2021. There is a current funding shortfall. Preliminary plans and estimates will be developed in order to enhance City ability to successfully apply for BIL (Bipartisan Infrastructure Law) Infrastructure Grants. Final plans and specifications design will commence once construction funding has been fully procured.
