

City of Cleveland Memorandum

Frank D. Williams, Director

Department of Public Works

March 16, 2023

The Honorable Blaine A. Griffin, President
Cleveland City Council
601 Lakeside Avenue
Cleveland, Ohio 44114

**Re: Legislation for Passage under Suspension of Rules on
March 20, 2023**

Dear Council President Griffin:

I am writing to ask your support for Passage under Suspension of the Rules on March 20, 2023, an emergency ordinance to amend Ordinance No. 761-2022, passed September 19, 2022, for a direct award to McLean Company and Columbus Equipment, authorizing the Director of Public Works to enter into contract for the purchase, lease, or lease with option to purchase by one or more standard contracts, of three (3) rollers, two (2) pavers and tar distributor needed for the 2023 residential resurfacing project, for administrative and Council review and approval.

The reason we are asking for Passage under Suspension of the Rules is due to the high demand for this equipment and the limited quantity with other vendors. Obtaining the equipment now will ensure that we are getting the equipment needed for the residential resurfacing project. If we do not act now, we will be delayed by one-year and will not have access to the vehicles needed for this project.

The source of funding will be taken from fund 11-006 and any funds deemed appropriate by the Director of Finance.

Should you have any additional questions or concerns, please feel free to let us know. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Frank D. Williams", written over a horizontal line.

Frank D. Williams, Director
Department of Public Works

LEGISLATIVE SUMMARY
DEPARTMENT OF PUBLIC WORKS
Division of Motor Vehicle Maintenance
AMEND Ord. 761-2022 (GF Public Works & Public Safety)
Various On-Road and Off-Road Equipment

Ordinance: TBD

Purpose: An emergency ordinance to amend Ordinance No. 761-2022, passed September 19, 2022, for a direct award to McLean Company and Columbus Equipment, authorizing the Director of Public Works to enter into contract for the purchase, lease, or lease with option to purchase by one or more standard contracts, of three (3) rollers, two (2) pavers and tar distributor needed for the 2023 residential resurfacing project.

The reason we are asking for Passage under Suspension of the Rules is due to the high demand for this equipment and the limited quantity with other vendors. Obtaining the equipment now will ensure that we are getting the equipment needed for the residential resurfacing project. If we do not act now, we will be delayed by one-year and will not have access to the vehicles needed for this project.
