

# Department of Port Control

Ordinance No.: 368-2023

## Executive Summary

The Department of Port Control requests authority for the purchase or rental by one or more standard and requirements contracts of various safety equipment, materials, and supplies for compliance of general safety standards for the Department of Port Control, for a period of two years with two (2) one-year options for renewal, exercisable by the Director of Port Control.

---

---

### **Background/Purpose:**

The Department of Port Control requests authority for the purchase or lease by one or more requirements contracts of various safety equipment, materials, and supplies for compliance of general safety standards for the Department of Port Control. This includes, but not limited to fencing, barricades, lighting, flags, and markers. This ordinance will allow for the execution of one or more new requirements contracts for these services and rental options, to be used on an as-needed basis.

### **Scope of Work:**

This contract will provide the necessary equipment, materials, and supplies to maintain safety standards for the Department of Port Control.

### **Anticipated Cost:**

\$ 20,000 annually

### **Schedule or Term of Contract:**

Two years with two (2) one-year options for renewal, exercisable by the Director of Port Control.
