

North Coast Connector

Mayor Bibb's ARPA Initiatives to Transform Our Waterfront

Cleveland City Council – MSP Committee
May 15, 2023

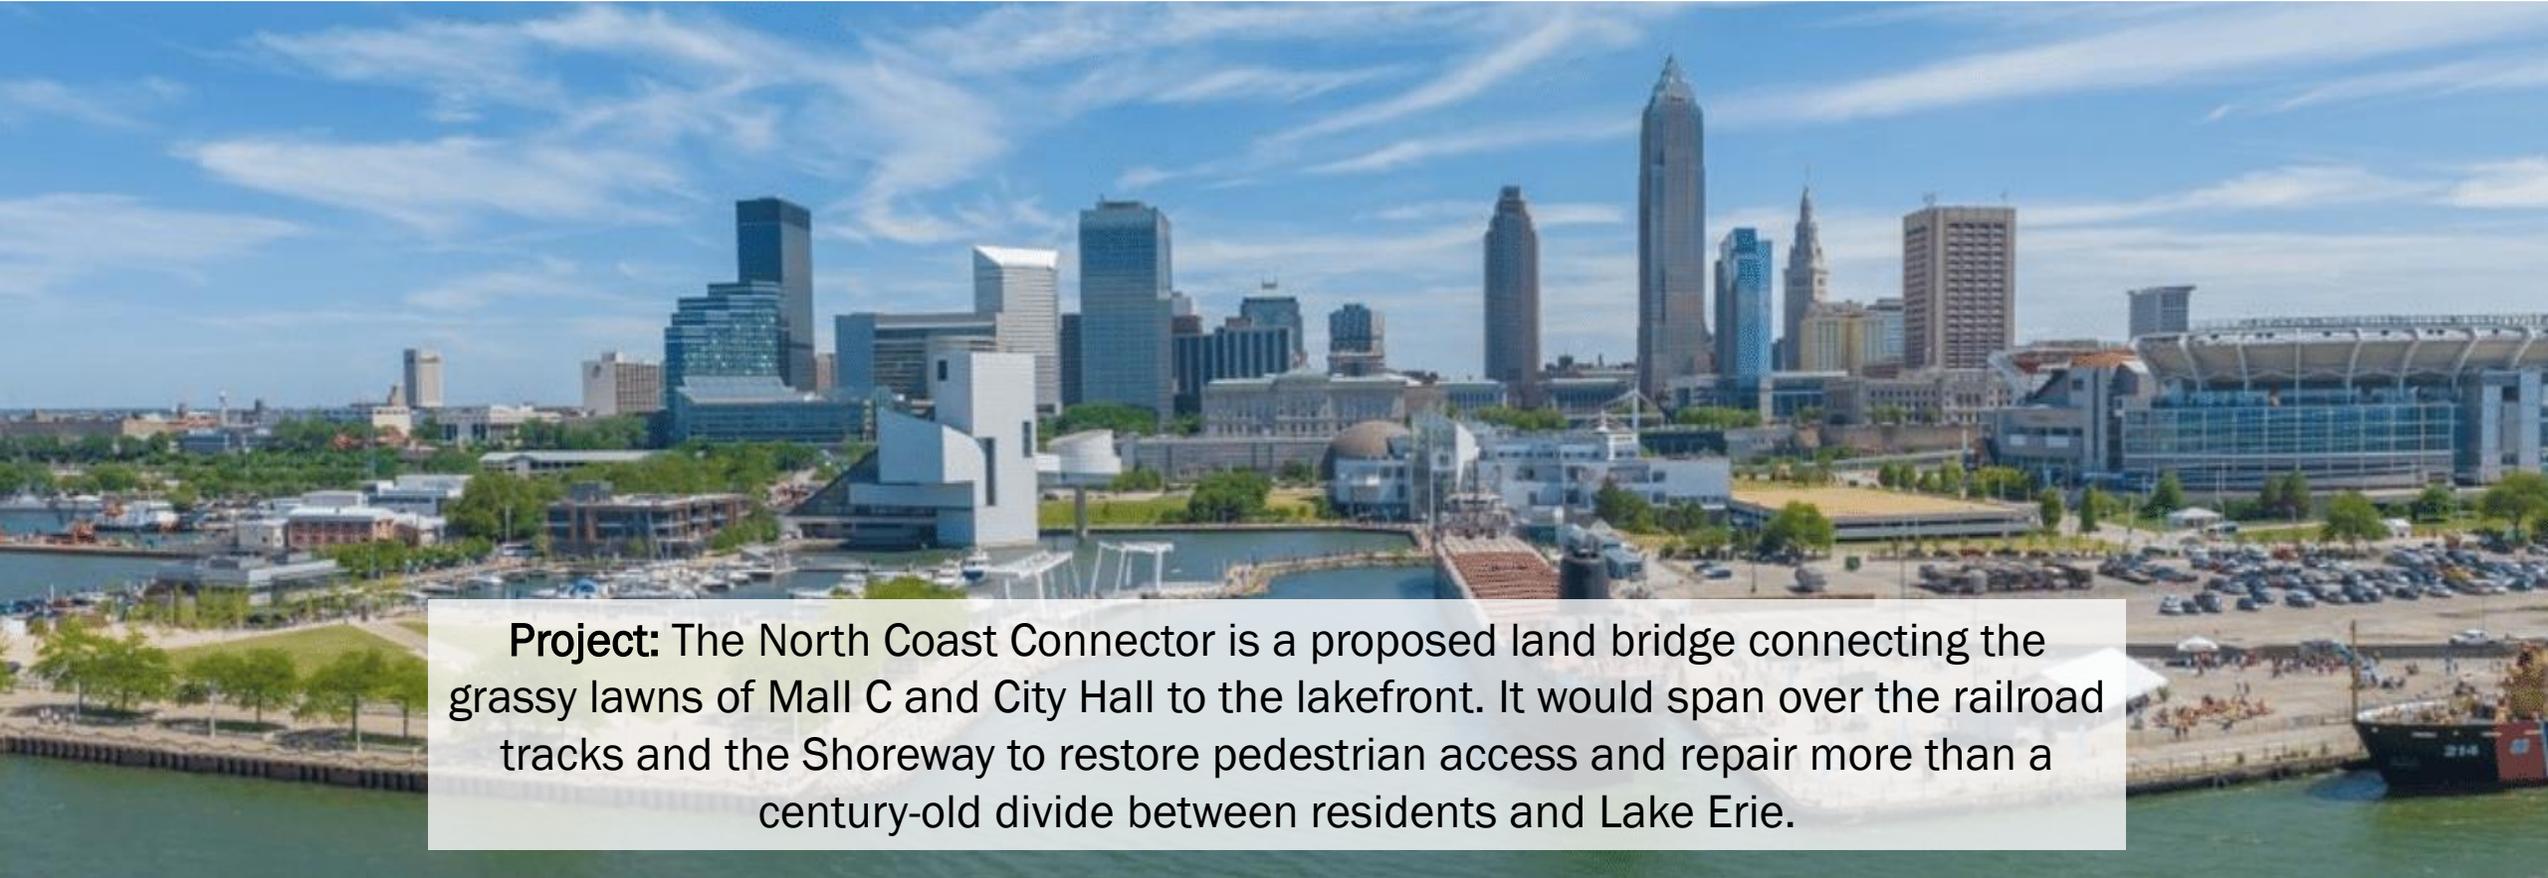

Ordinance Number: 527-2023

CITY OF CLEVELAND
Mayor Justin M. Bibb

North Coast Connector

ARPA funding request: **\$3M**

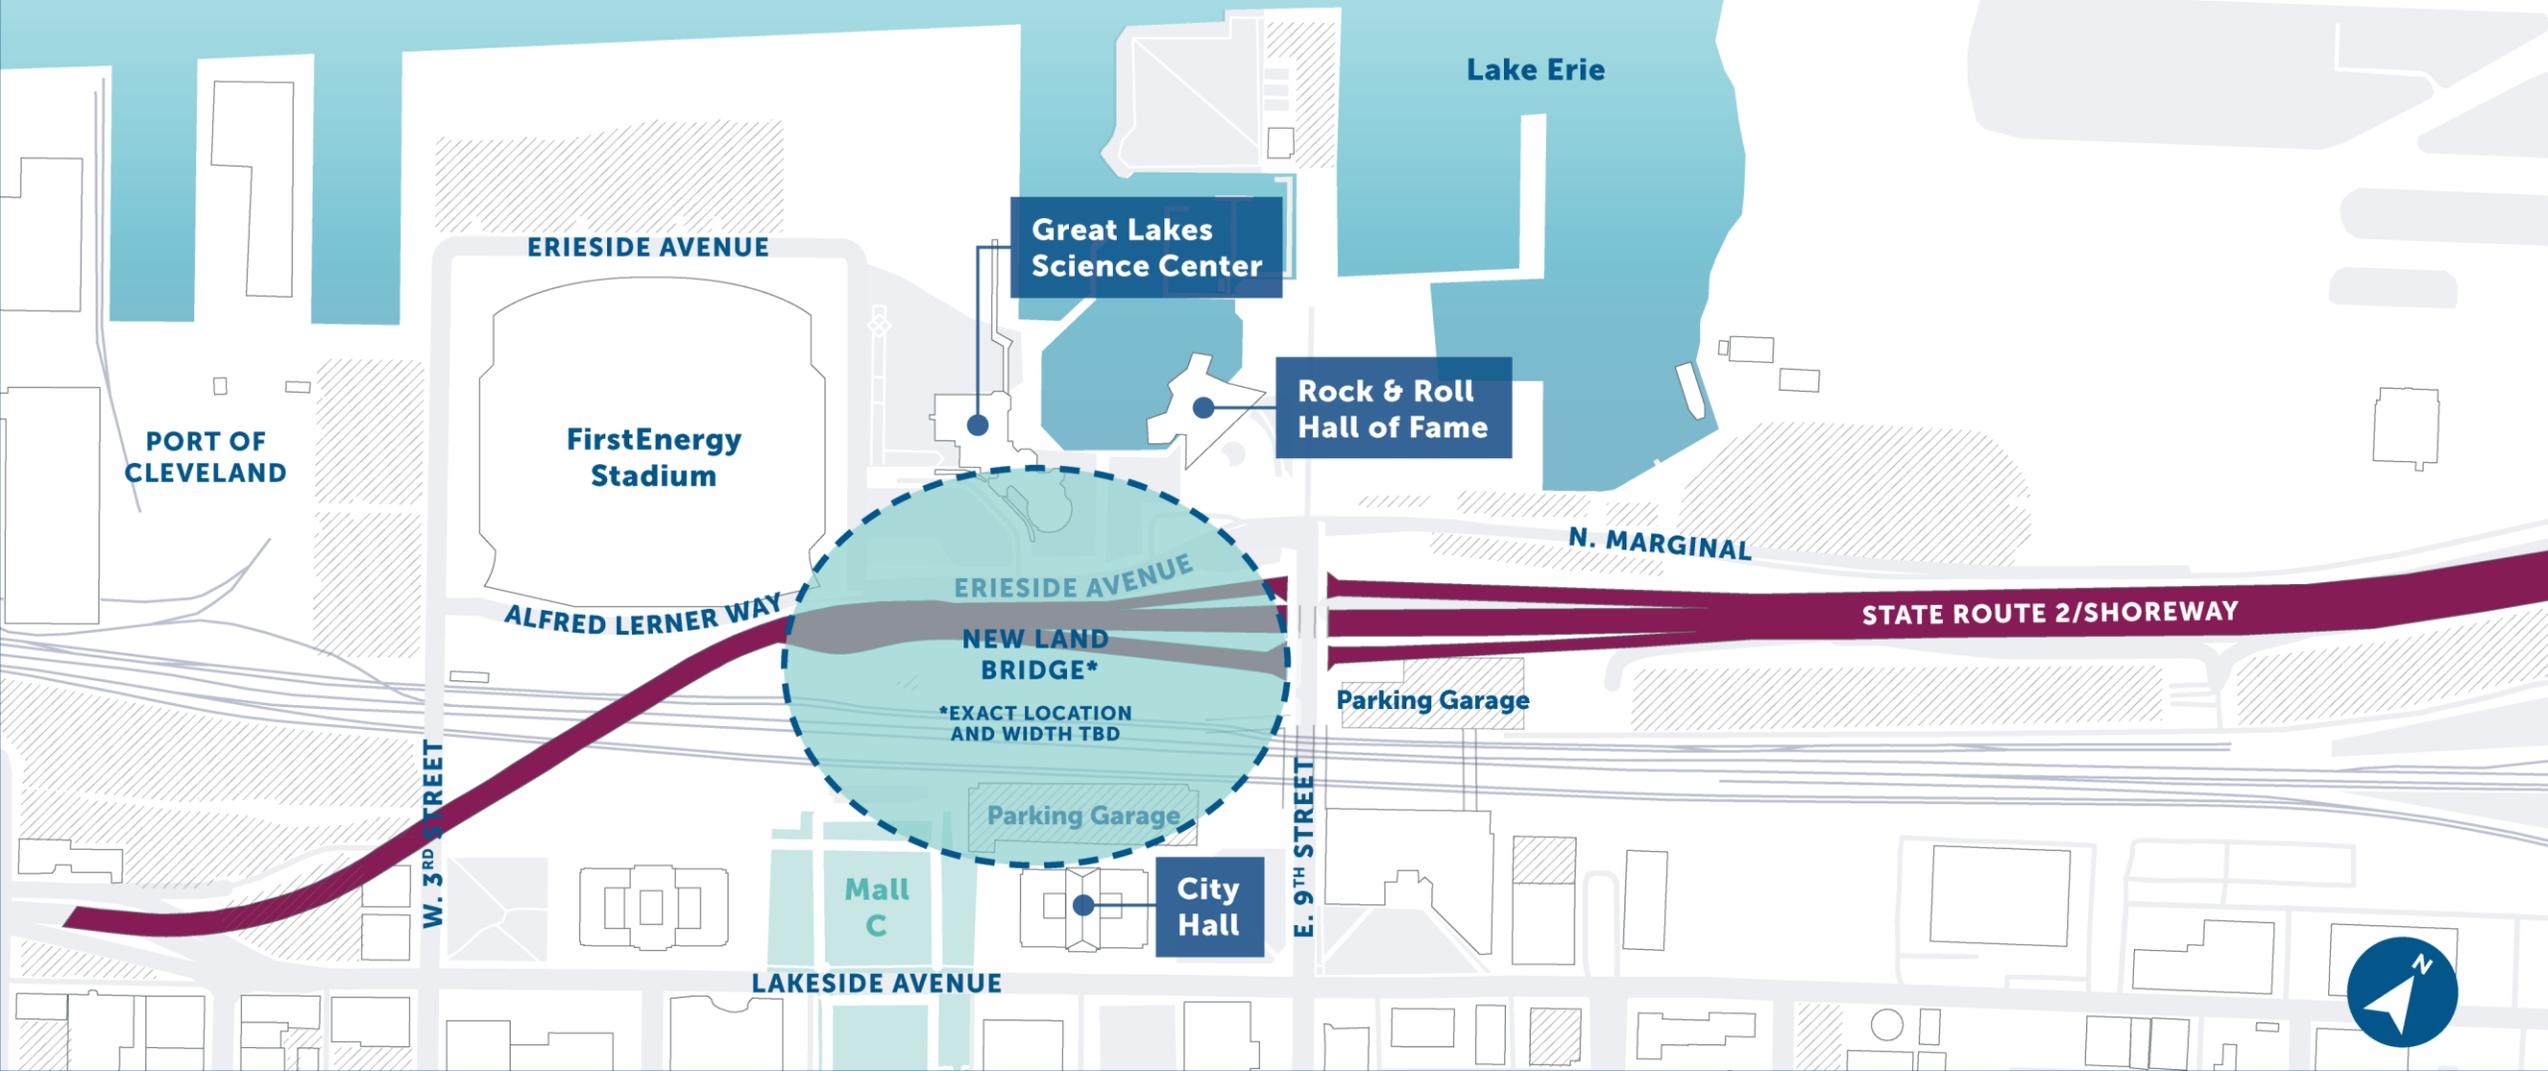

Project: The North Coast Connector is a proposed land bridge connecting the grassy lawns of Mall C and City Hall to the lakefront. It would span over the railroad tracks and the Shoreway to restore pedestrian access and repair more than a century-old divide between residents and Lake Erie.

Bucket B: Build Land Bridge, Keep Shoreway As Is

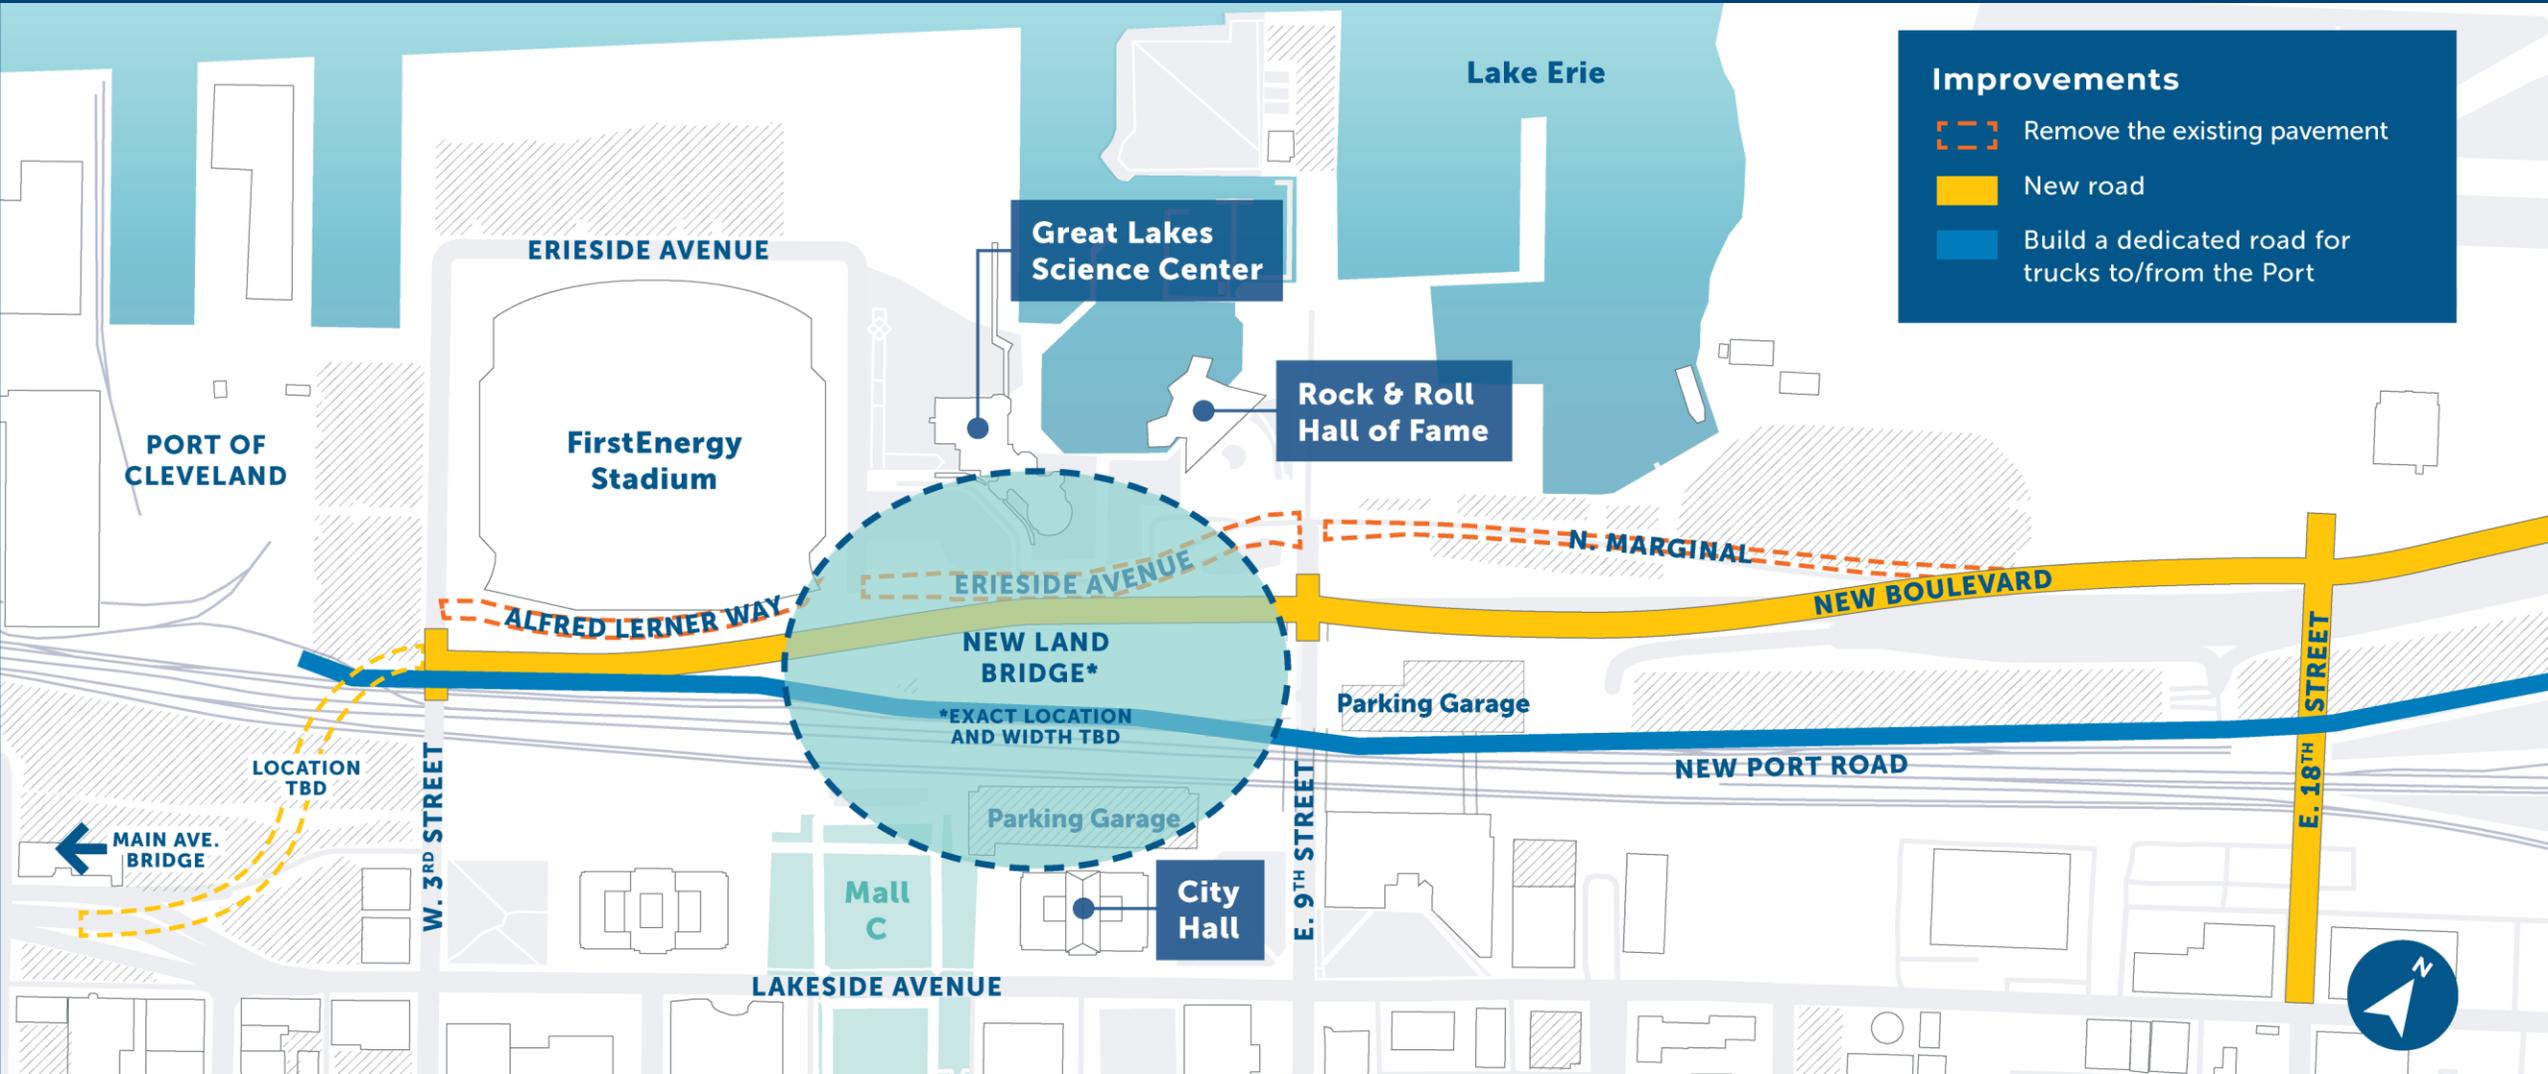

Traffic stays the same, more land available for more uses.

Bucket C: Build Land Bridge, Shoreway Becomes a Boulevard

Traffic is different, even more land available for more uses.

North Coast Connector

**\$3M ARPA Funding Will Support 30% Design of the Selected Alternative
NEEDED TO LEVERAGE ADDITIONAL FUNDING**

**Schedule: Alternative Determined November/December 2023
30% Design RFP To Be Issued January/February 2024**
