

Cleveland Dept Public Health

Background/Purpose

This legislation authorizes the Director of Public Health to apply for and accept funding from the Ohio Commission on Minority Health (OCMH) to continue operations of the Cleveland Office of Minority Health; and to enter into contracts to fulfill the obligations of the office as expressed in its grant applications.

This legislation also authorizes the Director of Public Health any additional funds that may become available to provide Office of Minority Health service. The Director of Public Health is authorized to enter into contracts as needed to implement the grant as described in the file.

The OCMH announced the availability of funds to support grants for the continuation of local offices in Cleveland, Columbus, Dayton, Summit County, Toledo and Youngstown. Each local office must be established in local health departments. Funding eligibility is limited to City/Combined Health Districts. The Commission accepts one applicant per city.

Mission:

The Cleveland Office of Minority Health (COMH) is a project of the Ohio Commission on Minority Health was established by City ordinance in 2007. Legislation was introduced by Councilman Kevin Conwell. The work of the Cleveland Office of Minority Health, as required by the Ohio Commission on Minority Health, includes the following to reduce health disparities

- Monitoring and reporting the health status of minority populations
- Informing, educating, and empowering people
- Mobilizing community partnerships and actions
- Developing policies and plans to support health efforts

The purpose of the office is to advance health equity and work collaboratively with community partners to reduce health disparities among minoritized and marginalized populations including but not limited to: African Americans, Hispanic/Latinos, Asians, Native Americans, persons living in poverty and the LGBTIA+ community.

The local offices of minority health are also called to work on emerging local issues, such as infant mortality, food insecurity, lead poisoning, air quality by working with public and private partners to improve the effectiveness of our collective impact to address issues identified in the Cleveland Department of Public Health agenda.

The Director partners with internal programs and offices to advance the work of the local office and leverage OMH resources to support ongoing community efforts.

Grant Amount: \$52,500 each year
Term:
Funding Source: July 1, 2023-June 30, 2025

Ohio Commission on Minority Health

SFY 2022-2023 HIGHLIGHTS

Service Information:
