

Department of Port Control

Ordinance: 594-2023

Executive Summary

The Department of Port Control is requesting the authority for the purchase, lease, or lease to purchase by one or more standard purchase or requirement contracts of various types of on-road vehicles, apparatus, and off road equipment, cabs, bodies, accessories, equipment and other aftermarket items for the Department of Port Control, for a period of one-year, with one (1) one-year option to renew, exercisable by the Director of Port Control.

Purpose:

Passage of this legislation is necessary to ensure the replacement of City vehicles and equipment that will have outlived their useful life and/or are too expensive to continue to maintain.

Anticipated Cost:

Approximately \$750,000 per year

Schedule or Term of Contract:

The Department is requesting for a term of one-year, with one (1) one-year option to renew, exercisable by the Director of Port Control.
