Ordinance No. 586-2024

By Council Members Kazy, Bishop and Griffin (by departmental request)

AN EMERGENCY ORDINANCE

Authorizing the procurement by one or more requirement contracts for the rental of various types of heavy-duty equipment, for the Divisions of Water, Cleveland Public Power, and Water Pollution Control of the Department of Public Utilities and for the Department of Public Works, for a period of two years.

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Directors of Public Utilities and Public Works are authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a two-year period of the necessary items of the rental of various types of heavy duty equipment, in the approximate amount as procured during the preceding term, to be procured by the Commissioner of Purchases and Supplies on a unit basis for the Divisions of Water, Cleveland Public Power, and Water Pollution Control of the Department of Public Utilities and for the Department of Public Works. Bids shall be taken in a manner that permits an award to be made for all items as a single contract or by separate contracts for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any procurement under the contract, each of which procurements shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance. (RQN 2002, RL 2024-11)

Section 3. That under Section 108(b) of the Charter, the procurements authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Directors of Public Utilities and Public Works may sign all documents that are necessary to make the procurements, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 4. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
