Council Summary

Department of Public Safety

August 13, 2025

Ordinance No.: XXX3-2025 **FOR PASSAGE UNDER SUSPENSION**

Legislative Purpose: Authorizing the Director of Public Safety to enter into an agreement with Deccan International to acquire licenses and maintenance for software to be utilized by the Divisions of Fire and Emergency Medical Service to improve response times and overall operations by optimizing divisional resources and personnel, for a period of one year

Legislative Summary:

To authorize the Director of Public Safety to enter an agreement with Deccan International for licenses and maintenance for software to be utilized by the Divisions of Fire and Emergency Medical Service. This software is for improving response times and overall operations by optimizing divisional resources and personnel.

The cost of the licenses and maintenance is $56,881.00 for a one-year period. Since 2011, the licenses and software have been acquired from Deccan International for annual costs less than $50,000. The cost now exceeds $50,000, requiring additional legislative authority.

Passage of this legislation at the August 13 City Council Meeting is necessary to obtain the licenses and maintenance that are critical to the operations of the Divisions of Fire and Emergency Medical Service.
