Vacate the remaining portion of Sherman Court (12').

Ordinance No: 978-2025

Description: Declaring to vacate the remaining portion of Sherman Court (12') (see map).

Purpose: The abutting owner, Saimir Mema, of MEMA PARTNERS, LLC, has requested the city to proceed with the vacation of the unimproved remaining portion of Sherman Court, east of East 75th Street, as part of a new development project in the area. A vacated Sherman Court would allow a better use of the property and give the Architect/Engineer more flexibility to work on the design of the new development.

A consent form acknowledging approval of this request has been signed from the Council Member.
