PROJECT DESCRIPTION:

Program:

PASS Program is a pilot between the Community Relations Board Youth Diversion Division and the Cleveland Division of Police's First, Third and Fifth Districts. Police officers in these districts will refer youth that they come into contact with that meet the following criteria:

- Reside in Cuyahoga County
- Under the age of 18
- Considered at risk of further delinquency matters.

In lieu of an official court filing, police officers will refer youth to the PASS Program. PASS Program staff within the Community Relations Board Youth Diversion Program will make contact with the parents/guardian of the youth within 48 hours from the date and time the referral was received (not including weekends and holidays). Once contact is established, PASS Program staff will conduct an intake process and needs assessment, then link the youth and their family with community support services, trauma-informed care, positive youth programs and other resources as appropriate.

PASS Program staff will follow up with the youth/family 30 days after the intake process and needs assessment are completed. Youth will then be closed out of the program at that time. PASS Program staff will conduct pre and post surveys with parents/guardians upon completion of the program.

This grant does not require a match. CRB will receive $6250 monthly installments, prorated for partial months.

CONTRACT TERM: **Extending term of contract through June 30, 2027.**

PROJECT AMOUNT: Adding funds in the amount of $75,000. Funding not to exceed $150,000 for the term of the contract.
