Section 1. That the Director of Public Utilities is authorized to employ by contract or contracts one or more consultants or one or more firms of consultants for the purpose of supplementing the regularly employed staff of the several departments of the City of Cleveland in order to provide professional services necessary to assess, recommend, and procure fire and extended real and personal property insurance including loss control services, risk management program development, and other related services for the Division of Cleveland Public Power's major facilities, including but not limited to, 1300 Lakeside Avenue, for a period of up to two years with two one-year options to renew.
