

LEGISLATIVE SUMMARY
Mayor's Office of Capital Projects
Division of Engineering and Construction

Lakeside Avenue and East 9th Street Encroachment Permit

Ordinance Number: 1103-18

Description: Authorizing the Director of Capital Projects to issue a permit to the General Services Administration, United States Federal Government to encroach into the public right-of-way of Lakeside Avenue and East 9th Street by installing, using, and maintaining 52 bollards and 2 retaining walls.

Purpose: The General Services Administration, United States Federal Government, is requesting an encroachment permit for the Anthony J. Celebrezze Federal Building, located at 1240 East Ninth St., Cleveland, Ohio 44199. The street boundaries for our encroachment are along East Ninth Street and Lakeside Avenue.

GSA is seeking an encroachment for 46 bollards along Lakeside Avenue coupled with 6 bollards along East Ninth Street and 2 retaining walls.

In relation to the public right-of-way, the retaining wall along Lakeside Avenue is a continuous wall as an extension of our plaza and still allows ample room along the sidewalk. The bollards along East Ninth Street and Lakeside Avenue were installed from our plaza renovation project in 2009 and were required by the Department of Homeland Security.

A consent form acknowledging approval of this request has been submitted by the Council Member.

Ward: Ward 3, Council Member Kerry P. McCormack
