**Huron Road Encroachment**

Ordinance Number: 1049-18

Description: Authorizing the Director of Capital Projects to issue a permit to Cavaliers Operating Company, LLC to encroach into the public right-of-way of Huron Road by installing, using, and maintaining a LED totem board and foundation.

Purpose: The project is the installation of sub-grade foundations for an above grade LED board. As designed, the foundations will project past the north property line and into the right-of-way of Huron Road by approximately 6'. The above grade LED board has three tiers, each with a different orientation. The top height of the first (bottom) tier is approximately 18' above grade. The first tier does not project beyond the right-of-way. The second and third tiers will project slightly past the north property line, but at heights of greater than 18'.
