

LEGISLATIVE SUMMARY
Department of Public Works

Hardware and Software

Ordinance No.: 1474-18

Division: Parking Facilities

Legislative Description: This legislation will authorize the Director of Public Works to enter into one or more contracts for an agreement with Link2Park, Inc. dba Linkology, to provide software and hardware, training, technical support, monthly preventive maintenance including inspection, cleaning, lubricating and adjustment of the equipment and parts and labor required for repair or replacement for the Parking Access and Revenue Control System at Willard Parking Garage, Gateway Parking Garage and West Side Market parking lots, for the Division of Parking Facilities, Department of Public Works.

Legislative Purpose: Passage of this legislation will allow the Division of Parking Facilities to enter into an agreement with Link2Park Inc. dba Linkology to provide maintenance and service. These professional services are proprietary to Link2Park Inc., the installer of the equipment. The warranty for the Willard and Gateway garage expires in 2018 and the West Side Market lot in 2019.
