**LEGISLATIVE PURPOSE:** Seek additional legislative authority to continue to maintain (36) thirty-six hole golf course and surrounding landscape of the Highland Park Golf Course. Assume all external landscape maintenance to the Highland Golf Course.

- Maintenance and care of greens
- Maintaining and care of teeing surface
- Maintenance and care of fairways
- Maintenance and care of roughs
- Maintenance of Bunkers
- Maintenance of practice areas
- Maintenance of shrubs and selected trees within the golf course and clubhouse area.
- Maintenance and care of decorative plantings at the course entries.
- Trash and debris removal

**CONTRACT TERM:** The term will be for (1) one-year with an additional (1) one-year renewal option

**CURRENT CONTRACT:**

- The Davey Tree Expert Company
- CT-7004-PS2018-102
- 5/24/2018 – 5/23/2019 one year with a one-year option  
5/24/2019 – 5/23/2020 with additional legislative authority by Cleveland City Council

**PROGRAM PURPOSE:** In 2011, the City secured an external management company to manage all aspects of the course's operations and administration. As of 2018, the City will directly manage the administration, sales, and concession activities of the golf course. However, the City desires to contract the external maintenance of the greens, rough, and general landscape to a qualified golf course maintenance company.
