Cuyahoga Community College on East 30th Street
To Accept Easement Interests

Ordinance Number: 75-2019

Description: Authorizing the Director of the Mayor's Office of Capital Projects to accept certain easement interests from Cuyahoga Community College on East 30th Street between Community College Avenue and Woodland Avenue for the use of a public sidewalk.

Purpose Cuyahoga Community College requests that an easement be granted to the City as part of the renovation of our Metropolitan Campus Center and construction of a new drop-off lane within the City right-of-way which would require that a portion of public walk be diverted around the drop-off onto Tri C property.

The renovation includes the infill of the existing moat surrounding the Campus Center building to provide a better connection to 30th Street and the surrounding community. New sidewalks, landscaping and lighting will be provided as part of the renovation.

A consent form acknowledging approval of this request has been signed by the Council Member.
