

**LEGISLATIVE SUMMARY**  
**Office of Capital Projects**  
**Division of Engineering and Construction**

**Gordon Square District Encroachments**

Ordinance Number: 198-2019

Description: Authorizing the Director of Capital Projects to issue a permit to Detroit Shoreway Community Development Organization to encroach into the public right-of-way within the Gordon Square District with approximately 40 wayfinding signs as part of the TLCI Gordon Square Wayfinding Program, to be attached to Cleveland Public Power utility poles (by separate permission).

**Overview:** The TLCI program consists of two components: (1) planning and (2) implementation.

**Planning** awards help fund planning studies that can lead to improvements to transportation systems and the neighborhoods they support.

**Implementation** awards help communities move forward with the development and installation of infrastructure from past completed livability studies. *Project sponsors are encouraged to submit minimum implementation requests of \$100,000. However, projects requiring less than \$100,000 will be considered if they exemplify the goals of the TLCI program.*

A consent form acknowledging approval of this request has been signed by the Council Member.
