## LEGISLATIVE SUMMARY MAYOR'S OFFICE OF CAPITAL PROJECTS Division of Engineering and Construction

## Martin Luther King Jr. Drive Interchange at I-90 CUY 90-21.02, PID 103821

Ordinance No. 76-2019

**Purpose:** This Department requests legislation to grant consent to

ODOT to construct the Interstate 90/MLK Drive Interchange Improvement in the City of Cleveland and to authorize the Director of Capital Projects to enter into one or more agreements with ODOT to make the improvement.

**Description:** ODOT will arrange for the preparation of construction plans

and specifications, including engineering reports, and for the supervision and administration of the construction cost and contribute 100% of the eligible costs. The improvements include enhancing the Martin Luther King Jr. Drive underpass connection to Rockefeller Park with the north side of Gordon Park and Dike 14 Nature Preserve. Proposed work includes dedicated bicycle facilities, wider sidewalks, lighting, and decorative pavement treatment to enhance/improve the pedestrian and cycling experience. These enhancements are part of a larger interchange project to improve traffic flow and reduce crashes at the IR-90 Interchange at Martin

Luther King Jr., Drive.

**Construction Estimate:** \$2,537,706

**Funding Source:** 100% – Ohio Department of Transportation

**Schedule:** Design: April 2017 to December 2018

Construction: April 2019 to December 2019

**Ward:** 10, Councilmember Hairston
