Ordinance No. 439-2019

Section 2. That the Director of Law shall prepare the permit authorized by this ordinance and shall incorporate such additional provisions as the Director of Law determines necessary to protect and benefit the public interest. The permit shall be issued only when, in the opinion of the Director of Law, the prospective Permittee has properly indemnified the City against any loss that may result from the encroachment(s) permitted.

Section 3. That Permittee may assign the permit only with the prior written consent of the Director of Capital Projects. That the encroaching structure(s) permitted by this ordinance shall conform to plans and specifications first approved by the Manager of the City's Division of Engineering and Construction. That Permittee shall obtain all other required permits, including but not limited to Building Permits, before installing the encroachment(s).

Section 4. That the permit shall reserve to the City reasonable right of entry to the encroachment location(s).

Section 5. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
