West 4th Street and Mahoning Avenue
Intent to Vacate

Resolution No: 478-2019

Description: Declaring the intent to vacate a portion of West 4th Street and Mahoning Avenue.

Purpose: The Shelly Company, the abutting land owner, has requested the vacation of West 4th Street and Mahoning Avenue for the purpose of reconstructing the area into private drives and granting an access/egress easement to the City so that access to public utilities can be provided over what will become the private roadways.

The Shelly Company proposes to move the existing fence at the end of Cuyahoga Avenue approximately 30 feet to the southeast to allow for easier access to the fire hydrant located near the west corner of City's building.

A consent form acknowledging approval of this request has been signed by the Council Member.

Ward: Ward 3, Council Member Kerry P. McCormack
