Division of Engineering and Construction

Huron Road, Ontario Street and East 6th Street Encroachments

Ordinance Number: 666-2019

Description: Authorizing the Director of Capital Projects to issue a permit to Cavaliers Operating Company, LLC to encroach into the public right-of-way of Huron Road, Ontario Street and East 6th Street by installing, using, and maintaining protective bollards/concrete planter benches around the perimeter of the Rocket Mortgage Fieldhouse (aka Q Arena).

Purpose: This request is part of the Rocket Mortgage Fieldhouse (aka Q Arena) renovation and expansion and will meet new NBA guidelines that required a Blast Mitigation Study and that M 50 rated protective bollards/concrete planter benches be included in the ensuing project design.

The bollard position also allows more space for the sizeable bollard foundation design. Several utilities exist under the sidewalk and this location allows the best opportunity for foundation not to impact existing utilities.

A consent form acknowledging approval of this request has been submitted by the Council Member.
