

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

Scranton Road Bridge
CUY 90-14.52, PID 97390

Ordinance No. 814-2020

Purpose: This Department requests legislation to grant consent to ODOT to construct the Scranton Road Bridge over Interstate 90, PID 97390; to cause payment to ODOT for the local share from any and all funds as authorized by Director of Finance; to authorize the Director of Capital Projects to enter into one or more agreements with ODOT to make the improvement.

Description: ODOT has arranged for the preparation of construction plans and specifications, including engineering reports, and for the supervision and administration of the construction cost and contribute 100% of the eligible costs. The project consists of rehabilitating Bridger No. CUY-90-1452 (SFN 1809261) located on Scranton Road over Interstate 90, including bridge deck and approach slab replacement and approach roadway work, lying within the City of Cleveland. Cleveland Public Power has requested that ODOT remove and replace transite (asbestos) lighting ductbank currently located within the existing bridge deck sidewalk as part of the project. CPP has agreed to compensate ODOT for this utility work.
