WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That, under Section 167 of the Charter of the City of Cleveland, this Council determines to make the public improvement of inspecting, maintaining, repairing, and replacing roofs or roof systems at Cleveland Hopkins International Airport and Burke Lakefront Airport, for the Department of Port Control, by one or more public improvement requirement contracts duly let to the lowest responsible bidder or bidders on a unit basis for the improvement.

Section 2. That the Director of Port Control is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a period of two years, with two one-year options to renew, the first of which requires additional legislative authority, for the making of the above public improvement with the lowest responsible bidder or bidders after competitive bidding on a unit basis for the improvement for a period not to exceed the specified term, purchased by the Commissioner of Purchases and Supplies on a unit basis for the Department of Port Control. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Section 3. That the Director of Port Control is authorized to apply and pay for permits, licenses, or other authorizations required by any regulatory agency or public authority to permit performance of the work authorized by this ordinance.
